

**Rookie Development
DON'T FORGET "THE BIG GAME"**

Rookie Development fall ball is back and we are excited to be working with the players involved in these special training sessions. Lots of great learning and fun fall activities through the game of baseball. Here is a brief description on what we are doing this fall.

Our Rookie Development classes this fall is a great way to keep learning and enjoying the game of baseball. We plan to run 7 indoor classes with fun competition and a lot of learning the proper fundamentals. We finish the fall with an inter-squad baseball game outdoors called, "The Big Game." The Big Game will be played on Oct 15 at TBA.
